YOUR SKILLS ARE NEEDED!

The Iowa Outdoor Expo is committed to providing a free event for families to learn, explore and rediscover outdoor recreation. Over the last six years the Expo has successfully open the outdoors to kids and families through hands on activities, giving visitors an opportunity to learn an activity that will take them outside for the rest of their life. The Expo is creating outdoor stewards who respect our natural resources and have a passion to share it with others.

This cannot be done without volunteers like you.

As a volunteer you make a direct, positive impact on the future participation of outdoor activities. You also teach your skills to others, explore new outdoor activities and recreational possibilities, reap the reward of mentoring youth, gain work experience and learn or develop new skills!
