FROM THE PRESIDENT

I would like to thank the Trap Committee for getting the PF building insulated and the sheeting put on. A couple of windows were moved as well. This building should be finished prior to our spring league's opening in April. Also we have 2 board member positions opened up with Chevyn and Shane Howard stepping down from their Membership and Building Rental positions. I would like to thank them for all their hard efforts and time they have put into the chapter. Those that might be interested in filling out the remaining terms should contact me or one of the other board members.

Along with this, the February dinner set for the 21st has been canceled as well. Our focus will be on the April 25th State Ikes convention and dinner there with the auction items for our fund raiser this spring.

I would like to thank new member Jay Timmons for an idea that he is working on. It will be like a grand slam event with kayaking, shooting, biking, and or running/walking event to be setup for a date to be determined. We are looking at putting together an exploratory committee for this. Jay's email is iowakayakerjw@gmail.com

Thank you all for your support and please send your membership renewal's to Warren County Ikes, PO Box 183 Indianola, IA 50125

As we near the spring shooting season, the Trap Committee would like to express our thanks and to commend the expansion committee, the generous donors, and all of the volunteers on this beautiful facility expansion. They have put in many hours of dedication and work. This expansion makes the Warren Co Izaak Walton League a premiere trap shooting facility. It will be enjoyed by its members, youth shooters and the general public for many years to come. We can't say this enough **"THANK YOU FOR ALL YOUR TIME, DONATIONS AND EFFORTS!"**

Spring Trap Leagues are now forming.

Get together with your shooting friends, families and people you want to introduce to Trap Shooting or the Shotgun Sports and form a Team. If you do not have 5 participants for a team or are just interested yourself let us know, we may be able to help fill a team or place you on a team that is not full.

With all 4 trap fields being ready for the spring leagues, and having them lighted it will enable us to accommodate many more teams.

One of the most rewarding things about league events is the fellowship. So let's get out, talk to some friends, meet some new people, shoot some trap, but most of all have lots of fun!!!
