FROM THE PRESIDENT

Just a quick note that we have concrete being poured at the rifle range and it should all be done now for that part of our renovations. We couldn't have done this without the help of Cemen Tech, Whitetails Unlimited Ahquabi Chapter, and P & P Construction and a few members. Still more construction to be done at the range with a shade over the slab and more dirt work around there as well.

Please go to the warrenikes.com website for the calendar of events to make note when the range will be closed and any work days that will be setup too. We have YHEC going on this weekend Saturday the 13th and the rifle range will be closed until then with the construction finishing up and our DNR folks getting things setup on Friday for about 150 kids and adults on the grounds.

As you may notice from our facebook postings on warren icles that we have a new Rental Chair, Jay Timmons. Thank you Jay for stepping up into this position. And thank you Izaak for keeping us all up to date with everything going on in our chapter, not bad for a fellow over 400 years old!

We have elections this August membership meeting for the following; President, 1st VP, Treasurer, Trap Chair and Membership. Please contact me or another board member if you have an interest in one of these positions.

Warren County Izaak Walton League

Summer Time Trap Shooting

We had a great spring season for shooting trap. Spring Leagues are finished up and the Scholastic Programs are finishing as well. It has been a very busy time on the trap ranges so far this season. Now let's keep all of the fun going and utilize this great facility through the summer!!!

The trap committee has had quite a few folks asking about shooting Doubles and Wobble Trap. So in response we are now forming a couple of short Summer Leagues. A Wobble Trap League and a Doubles Trap League. The League will be 4 weeks long and held on Thursday evenings. (see attached flyer for dates and details) We will also have one trap set up for open singles shooting during the Leagues. These leagues will keep everyone's shooting tuned up for the upcoming fall season of trap and hunting. So take advantage of the wobbles and doubles to sharpen your shooting skills.

The Trap Committee would like to thank the Ahuquabi Chapter of White Tails Unlimited and Cemen Tech for the very generous donation of the concrete walks and patios. This will make everyone's shooting experience even more enjoyable.

I would like to thank the Trap Committee, the Scholastic Coaches and Organizers, League Organizers, and the shooters young and old for all that helped out with shooting events. They have put in a lot of hard work to make it the spring season so much fun and a great success.
