FROM THE PRESIDENT

WOW, summer is winding down and school is about to start here in a few weeks. That also means the fall trap league for Monday 25 Bird and Thursday 50 bird will be starting too. Please look at the calendar on our website, <http://www.warrenikes.com> for all the activity that is going on with our club.

Attached with this newsletter should be flyers for our leagues as well from our Trap Chair Jimmy Lear.

Our August member meeting this month also is our election for the 6 positions for the board. In the even numbered years the six Board positions to be elected are 2nd VP, Secretary, Archery Chair, Rifle Range Chair, Rental Chair and Property Chair. At this time our secretary position is open and we will be taking nominations from the floor. Also if you have any interest in these positions please get back to me and we will also take nominations from the floor as well.

Later this month the Mid-Iowa Archers will host their final shoot for 2016 on August 26th, 27th, and 28th. During this time the rifle and trap ranges will be closed for this event. Come on out and see what goes on and bring your bow too as you get a discount for this event being an Ikes member.

If you haven't friended us on Facebook by now please check us out as we do post events there and reminders as well from our buddy Izaak about what goes on at the Warren County Chapter.

Hope to see you at our meeting and or at the range too.

Craig McIntyre, President

Warren County Izaak Walton League

2016 50 Bird Trap League Details

The trap committee would like to thank everyone for all of the feedback, suggestions and concerns that were given during last fall's 50 Bird League. The Trap Committee and the Warren County Ikes are striving to make the Trap Leagues a Safe and Fun activity for all shooters. Whether they be brand new trap shooters or very experienced on the trap line, and still making it a level playing field for those participating and competing. In trying to do so we have made some changes to this year's League Procedures in response.

We encourage all participants to continue sharing ideas or discussing any changes that will further help us achieve a Safe, Fun, and Fair event for all league shooters.

Registration forms must be submitted prior to the First Week of leagues to allow for Flight Scheduling.

Fillable or printable registration forms are available on the Warren Co Izaak Walton League Website or at the Trap Range

http://www.warrenikes.com/yahoo_site_admin/assets/docs/Trap_League_Registration_Form_2016S.76181311.pdf

Completed forms may be emailed to JLEAR@IAC-CORP.COM . Payments can be made at the Clubhouse the first week of League.

- We will be following rules as set forth by the Amateur Trap Shooting Association for this league
- 50 Bird League will be limited to no more than 20 teams or squads.
 - If you do not have a full Squad or Team let us know and we will try to help you make one up with others that are looking to join a squad.
- Squad Leaders or Team Captains will be responsible for making sure their squad or team is ready to shoot at their designated time and trap.
- If for some reason the team is late and cannot make their scheduled time. We will try to make it up after all scheduled squads are finished. If time does not allow for the late squad to shoot a makeup round must be scheduled.
- Start times and trap fields will be rotated each week. So no one team gets what might be considered a prime shooting time or trap field advantage.
- All 50 birds will be shot on the same trap house.
- Handicap will be figured after each 50 bird event on the total team score
 - RE: Week one both rounds will be shot from the 16, then week two both rounds will be shot at the handicap developed from week ones team total score.*
 - This will allow the team to shoot a round, replenish shells, dispose of hulls take a short breather then go right back out and shoot the second round without having to change trap fields. Please make sure you have two boxes of shells with you when you report to the trap field.*
- We will shoot rain or shine so bring rain gear with you. The only time shooting will be stopped is if there is a threat of Lightning Strikes or severe storms.
- If a squad has a shooter no show, please find a sub to take their place. If the sub is from another team please make sure that the shooting times do not conflict with his teams shoot time.
- Any shooter who utilizes a substitute will no longer be eligible for prize money.
- Any squad utilizing a substitute shooter will be penalized with 5 lost birds per round. (so no substitute ringers)

The Expo is creating outdoor stewards who respect our natural resources and have a passion to share it with others.

This cannot be done without volunteers like you.

As a volunteer you make a direct, positive impact on the future participation of outdoor activities. You also teach your skills to others, explore new outdoor activities and recreational possibilities, reap the reward of mentoring youth, gain work experience and learn or develop new skills!
