**FROM THE PRESIDENT**

Hope everyone is enjoying this extended Indian Summer! Just a couple of things going on this winter as they can be done. The rifle pad cover is being done as weather allows please contact Charles Mannis to see what days work is going on at the range. Also we will start on the Kitchen remodel after the first of the year.

The plan is to open the back of the kitchen wall into the old trap room area for storage use. To freshen things up for the ceiling and walls. Check into or make room for a commercial under counter dishwasher are some of the ideas being worked into this remodel. This would be nice to have a goal of being finished by end of February. What doesn't get done by then would be carried over to 2017 winter time again.

We are having a holiday party on Sunday from 1 to 4 with soup and snacks to be served, bring a side dish to share as well would be fine too. Please RSVP by Saturday so that we can have a bit of a head count for soups.

Tuesday member meeting will have a speaker from the DNR per Doyle and meal that Jimmy will prepare. You can make your RSVP for either Sunday or Tuesday to me by text or call 515-229-7418 or email me as well to [president@warrenikes.com](mailto:president@warrenikes.com).

Keep January meeting in mind as we plan on our wild game feed and potluck and Paul Rogalla will have the program for us. We also have a program lined up for February as well from the Warren County Conservation speaking on Pollinators and Butterflies. This is one of their new exhibits.

Craig McIntyre, President
