**FROM THE PRESIDENT**

We will have a meal that Jean Laverty will be putting together for us. Said it was Grandma's loose meat sandwich recipe I think and we will have dessert and drinks on hand too. Free will offering. We are pretty much closing down for the winter time with all the shooting done until next spring. By then we will have 2 college groups and several youth groups going 5 nights a week out on the trap range.

Until then we will do some repairs yet inside and finish up some of the storage room renovations and such as time allows. If you get bored around home send me an email or check the calendar as we may post some of the work weekends as they come up.

I hope those that have gone out for their deer season have found the "One" they were waiting for. We will have our wild game potluck for our January meeting and it sounds like we will have Paul Rogala bringing out some items for a quiz and show and tell?? If we don't see you at this year end meeting then hope to see you next year!
