

# Warren County Izaak Walton League

## Jimmy Lear Benefit Shoot

The Warren County Ikes is sponsoring a fundraiser for our Ikes member Jimmy Lear, our current Trap Chair. Jimmy has given many hours and much energy to the trap program at the Warren County Ikes. Jimmy was diagnosed with an advanced stage of cancer this summer. He is being treated at University of Iowa Hospitals and Clinics. All funds raised will go toward any medical and travel expenses incurred while taking treatments in Iowa City. Please plan to attend this fun and worthwhile event.
