CONDOLENCES

Former Warren County Ikes member Donna Waters (86) passed away December 22nd in Independence, Iowa. Donna and her husband Ralph (also deceased) were both very active in the Warren County Ikes. Donna served on the Board including secretary and treasurer. Our thoughts and prayers are with the Waters' family.

FROM THE PRESIDENT

Our member dinner for January will be our game feed potluck and our speaker will be Paul Rogalla with a mystery puzzle to solve on some of the animal items he has collected over the years. Prize of one round of trap and shells provided. So, if you are not a hunter please come out as well and share a dessert, package of rolls, or a covered dish works as well. This is all part of that Luck of potluck.

During Sunday's meeting with the Youth group for signup, Erin and I with a few other coaches and members have put together a plan of action on what area's are going to be started on first and think we will split this into 3 parts or areas of work. We should have an idea of what all is going to be put in for our budget and get that worked up so that we could start demo work here in the next weekend or two anyway on the front kitchen area.

One of the member benefit's that we have is shooting supplies that we order a couple times a year. We will announce this about 30 days ahead of placing our order for shells for this spring so get your list of supplies you need and get back to Jimmy Lear or myself as well will work too. I will need to order lead shot at least and will have to review my powder as well. You have access to components and you can also buy shells by the case too. This will at our cost plus sales tax.

If you have any interest in helping with some of the Kitchen renovations that we are going to be doing mostly on the weekends but if you have time during the week we can arrange that as well.

I look forward to seeing you on the 19th at 6:30.

Craig McIntyre

TRAP: Jim Lear

After witnessing youth signup on this past Sunday, I was very impressed on how organized they are and with their ticket sales of their Pasta dinner and beef raffle. It seems to be we will have another club or two joining us as well this spring. So Youth Trap will get into swing big time starting end of February and first of March. Spring leagues will start in April along with open shooting for Tuesday nights then after spring league we will have the summer Open Shooting on Thursday continue is the plan it sounds like.
