FROM THE PRESIDENT

Also Chris D will be hosting an event at our chapter house on Monday March 26th at 10 am about how to improve the quality of CRP with MCM. The MCM is Mid Contract Management and this is an open invite to those individuals that are curious to learn about land management options. Ryan Harr with Iowa DNR Private Lands Biologist will give a presentation on the different MCM options, especially prescribed burning, and will be available to write burn plans.

Archery practice is this Saturday at 10 am to noon for the Warren County Youth club. We will be using the rifle range for those 2 hours and closing that down. With the spring thaw the water line should be relocated very soon as they had their equipment here last week. We should be able to get back started moving the dirt and making the new entrance and such for the archery range. Also we just finished a Hunters Ed class early in March and our next one will be in August. These are posted on our Calendar of events along with any range closings.

Spring leagues start early April for Trap on Monday 25 Bird and Thursday 50 Bird and on Tuesdays we will start our rim-fire rifle league shooting NRA style silhouettes. These leagues are open to the public so grab some friends and come on out. We will also need some help in the trap room if you are a member and do not shoot but would like to help this is an area we can use during league and our practice nights. We would be glad to help train you in counter help and scoring too. Give me a call or Dave Albers as he is in our contacts.

Do you use Amazon to purchase items? If so we plan on setting up under the smile.amazon.com site and your purchase can help with a small donation to our chapter. Please consider looking in to this as we should be setup by next week under Izaak Walton League of America with our address for Indianola.

State Convention is the end of April at Ottumwa, Iowa Saturday the 28th is the meeting and it will start usually by 9am. If you have any interest in this please get back to me ASAP as we can have 5 delegates for this and anyone else can attend to see what goes on. We will then have a state trap shoot on that sunday the 29th. Those that are not participating in the Quad Shoot we will have can go over for the 50 bird shoot there.

Our high school teams have been practicing along with the College teams too. Then we start the spring trap leagues along with Tuesday night opens. Can you say Busy?! Hope to see you soon around our grounds and or come to our monthly meeting too. I am probably leaving things out but check the calendar as there will be a kids trout fishing day and an MIA archery shoot too in April.

CHILI COOK-OFF

February's membership meeting featured the best of the Chapter's chili in a heated head to head competition. Eight entries were judged on appearance, originality, and burn. Lisa McIntyre was selected as grand champion, Steve Sereg earned a reserve champion, and rounding out the top three was Bryan Herold. The experienced chili judging panel included Don Bonneau, Scott Ourth, and Crystal McIntyre.

ARCHERY

We have started a youth archery club for our members. This is for middle or high school students that would like to learn about archery or is already familiar with the sport. Your Family membership dues will allow your kid(s) to partake in this club. Or any youth can join the Warren Co. Ikes as a youth member for as little as \$22 for 2018. If you would like to see what this club is all about, we will be out at the chapterhouse (down at the rifle range) the 1st and 3rd Tuesday's of each month and twice throughout the month on Saturday's weather permitting. For March the Saturday's will be March 17 and March 31 from 10 a.m. – noon. The club does have their own youth board members that works closely with the Warren Co. Archery board. Archery Instructors at this time are: Rick Cerwick, Lisa McIntyre, Jim Nelson, and Brian Anderson, we also have other adult helpers as well. Submitted by Lisa McIntyre

NASP STATE ARCHERY TOURNAMENT - Iowa State Fair Grounds, Jacobson Building 3/10 & 3/11/18

A big thank you to Lisa McIntyre and Makena McIntyre for volunteering over the weekend of March 10th & 11th. Their assistance at the 3-D bow fishing booth was greatly appreciated as they helped several hundred youth take aim at the many targets in the booth. Of course we had to test each bow prior to opening the booth which Makena was the first to volunteer! Great shooting Makena!

[2017 Annual Financial Audit Report](#) –This audit was recently concluded, and the report to the Board has been posted. The audit committee is made up of the First VP (Steve Dermard) and two non-board members, Dave Albers and Michael May. The Audit Committee reviews all expenditures and deposits to ensure all monies were properly handled for the benefit of the Chapter. Download the report and see what they had to say. Thanks to the Audit Committee for your fine work. Found within [Legal Forms](#)

[Shooting Supplies Sales](#) One of the benefits of being a member of the Warren County Ikes is the opportunity to add-on to our wholesale supply orders and purchase shooting supplies at our cost plus freight and tax. The Board approved a written policy on this activity at the last Board meeting. It is posted on our website under the [Trap Page](#). Download a copy and see whether this program is something that interests you.

[Quad Shoot](#) This is four individual trap shoots held the last three Sundays in April and the first Sunday in May. Two of the competitions are at the Warren Ikes Trap range and two are at the Jasper County Gun Club. A flyer with complete information is available for downloading. Good Shooting!

When viewing our website they are numerous links to send suggestions to our webmaster. Don't be afraid to use them. I hear from IZAAK all the time. Maybe I should make him be our webmaster. Heck, when he was a kid they didn't even have cob-webs in the old world. Corn had yet to be brought back from the new world across the pond.
