- Please also check the calendar at <http://www.warrenikes.com/calendarevents> for all activities at the club.

FROM THE PRESIDENT

What a windy, rainy crazy weather we have had for our Spring! We are still working on the rifle range but looks like we are seeing light at the end of the tunnel. Larry Barr has been a big help getting the gravel, dirt, and construction moved around on our grounds. So if you see him around the chapter in his skid loader give him a shout out. He has been helping Dave, Charles, Jay and many others out and around for the last 2 years or so. Dave Smith could use some help around the grounds as well with mowing and trimming so if you have some time please give him a call at 515-770-4398. We have way to much for any one or two people to be mowing and trimming.

We have a couple of piles of dirt out near trap 2 that will be moved and need spread around the walks and such too. Again, check in with Dave and Jimmy to see when that gets done we will need some raking crews out and then get some grass seed down as well. Along that same note we will be doing some field tiling with the help of the MIA (Mid Iowa Archers) to get the water off the Trap field and the rifle range as well as area's for the archers. This will happen as soon as the rain lets up and we can get the equipment out on the grounds.

Archery area to be setup with the MIA, Ikes, & 4H chapter working hard on this, again when the weather breaks. We are looking at the area on our grounds to the East of our last trap field. Clearing out the dead trees and brush in that corner to setup several shooting lanes. Our contact for this project will be Jim Nelson with the MIA 515-208-0305 or Jason Delay with the 4H at 515-681-7527.

As you can see we have a busy rest of the Spring and Summer. These are the things that your membership gives you privileges to use around our grounds. With this being a volunteer organization it is appreciated when our members do step up and help as you get to take ownership in what we can accomplish. I do have to say I have a great board that has stepped up and done a lot over the last couple of years as well. We have had our friends and members come out to do things around our chapter grounds. I cannot say thanks enough.

I have touched on 3 areas Rifle, Trap, & Archery, that our chapter has provided for our members and most of the members joined for one of these reasons or another. The last one I want to help make you aware of is our Conservation part of the Izaak Walton League. We will bring this in focus as time goes on. We have concerns with our water quality here in Iowa and around our nation. At our state convention we had speakers on Wind and Solar energy being setup here in Iowa. The wind area is providing a very large amount of electricity back on the grid for consumers to purchase by way of our energy companies. With the solar energy it is more of an individual way at this point to help offset their energy consumption.

Sorry I go so long winded here but thought I would help out our wind mills a bit! So come on out to our monthly meeting May 17th and enjoy our program on dove hunting in the Argentines put on by Larry Lepper and Doyle Adams. Dinner will be provided by our Rifle Chair Charles Mannis.

Craig McIntyre

Ikes' CARPfest Tournament

June 4, 2016

Gray's Lake, Des Moines, Iowa

Please join us for a fun Saturday morning on June 4 at Gray's Lake in Des Moines. The fun begins at 9 a.m. and ends at 11:30 a.m. If you have never been to one our CARPfest Tournaments it's a blast! It's sponsored by your neighbor's up north, Des Moines Ikes and the City of Des Moines Parks and Recreation. Don't worry if you don't have the equipment you can always borrow a fishing pole from the Des Moines Ikes. Hope to see you there.

Rules:

- Fishing begins at 9:00 A.M. and ends at 11:30AM.
(Air-horn will sound for start and end of tournament.)
- Carp and Buffalo qualify for the competition.
- Measuring runs from 9:00 A.M. to 11:40AM.
- Fish must be caught on a hook (no jigging allowed).
- Fish anywhere around or on the lake except off the bridge.
- No motors on boats.

3 Categories:

Adults & Youth 16 years & over - must have valid fishing license.

Boys: 15 and under & Girls: 15 and under

Prizes awarded at noon or when measuring is finished:

- Longest Carp or Buffalo in each category
