**FROM THE PRESIDENT**

A BIG thank you to the helpers we had at the annual Thanksgiving Dinner. I heard from members and guests that they had a good time and the food was great. Ten turkeys and 2 hams were cooked with not much in the way of leftovers either. But should be enough to feed the Trap and Black powder shooters on Saturday though. Pictures have been posted on Facebook of the Simpson College Rotaract group and some of the Warren County 4H shooting sports team that were helping.

When you see Charles Mannis and his daughter Shannon, Larry Barr, Roger Higen, and Dave Smith to name a few; thank them as they have been putting the posts in the ground for the rifle cover. Help is needed though to get the roof up and on the frame to finish the next stage of this construction. Please contact Charles if you can help, 515-720-6912. I know we have a lot of members that have joined to use this part of club's property. You can take a bit of ownership in saying I helped with this.

With the weather changing our trap shooting will be wrapping up most likely after this Saturday Turkey shoot as well. But in this off season of shooting our youth are having meetings and getting organized for next spring's shooting. I heard that Indianola had about 12 Seniors graduate off the league but there are 44 new underclass students. This sport is still growing it seems. That is why our club increased the traps to 4 for this very reason.

I look to start some kitchen renovations sometime after the first of the year as well. Now that the trap room is out of our chapter house we plan on that area to be opened up for more storage and an entrance off the kitchen added. If we have any members interested in being in on the project, help is always appreciated. Please contact me at 515-229-7418 or email me at [cmac859@yahoo.com](mailto:cmac859@yahoo.com).

I hope you and your family will have a Happy Thanksgiving.
