**FROM THE PRESIDENT**

I want to thank all those members that helped out this weekend at the Thanksgiving diner. By making desserts or showed up to support the chapter by eating our meal. Friday was a day of cooking 10 turkeys by Dave, Larry B, and Roger. The carving crew headed up by Doyle with Wayne, Larry L, Terry, Steve and Lyle. Tables being setup and desserts being dropped off. Special thanks to Kim Delay for donating pies and other items for the auction and to Estela Biesemeyer's donation for auction too. Saturday setup and cleanup help from Marty and Simpson College Rotaract club sent out 6 or 7 members to help. Jason and our 4H chapter did cleanup of our building prior to the dinner. And then some extra time in clean up on Sunday by Jay, Charles, Jimmy, and Lisa. I can't thank you guys enough in helping out. A thank you to Cleo and to Jason for their auction skills too. I know I will have missed mentioning someone but thank you again for all the help this weekend.

The weather was super as I think it was one of the nicest nights for a dinner in about as long as I can remember.

We have just a couple more shooting events with the FFA shoot this Saturday the 12th with several schools sending out teams. Our final Chapter open event on Saturday the 19th of November at 11am with a lunch. We will have shooting games like oakley, quail walks, brother in law and anything else the guys can think of. Maybe I will try out that wobble trap that we have?!

It has been a very busy summer and fall. Maybe with winter things will slow down a bit around the chapter??? Nawww, still things to be done. We will let you know what is going on and what help we will need.

Renewals are coming in pretty steady thank you for those of you that are getting them back to us for processing.

Our member meeting on the 15th at 6:30 will be hosted by Larry Lepper and he will be making baked pork chops, potato, a veggie and dessert. His topic for the night will be how we, Iowa, got our dove hunting bill. Please contact Larry by email or phone and get him a head count for those that will be eating at the dinner.
