#### FROM THE PRESIDENT

Well Ikes members we are wrapping up our fall trap leagues and busy with membership renewals coming out. We have our Thanksgiving dinner set for the first Saturday in November on the 4th. We need help serving and working in the kitchen. We also need desserts too. Pies, brownies, cakes would all be welcome. We will be cooking turkeys on Friday the 3rd so desserts could be dropped off then. Also we will be setting up the club house and cooking Saturday afternoon and desserts could be dropped off as well. Please call me at 515-229-7418 if you can help.

We are holding a benefit trap shoot for Jimmy Lear the next day Sunday November the 5th and can use help in the kitchen that day or scoring trap too. Please call Rod 515-249-4572 or Karen Goodrich at 515-249-3053 if you can help out. See our flyers attached to our newsletter.

As many may now know we have a manual trap machine for our membership to use. We felt that this will fill a need that during the times when the trap house isn't open you can come out and use this. Please pickup up your empty shells and try to keep the area clean as best as you can. This is a volunteer club and no one is hired to pick up around our grounds.

Our next member meeting on the 17th of October will have a pork chop dinner, potatoes and a veggie and dessert. If you will call text or email me with your RSVP that would help on the dinner plans. We will have member Rick Cerwick speak on our National Clean Water project.

I hope your fall hunting and hiking is enjoyable and will see you around our chapter grounds too.

**Regards - Craig McIntyre, President**

#### TRAP RANGE ADDITION

A manually operated trap for members' use was recently installed between traps #1 and #2. It's easy to use and does a really nice job of throwing birds. To reset the trap all you have to do is rotate the arm counterclockwise from the 9 o'clock to the 6 o'clock position. It will throw doubles too! Bring your own claybirds or search the grounds for unbroken birds. Have fun and good shooting.
