**FROM THE PRESIDENT**

I am hoping that this newsletter finds you all safe and sound in your homes from this dreadful fall rainy weather system that has been hanging around! I had one night of Monday trap that I postponed and we just didn't quit get our shooting in on the 8th before rain and the down pour hit! Hopefully there will be good weekends for opening season of our many game that Iowa provides for our food and recreation.

Tuesday Member meeting on October 16th. Speaker will be Jim Priebe with the Warren County Conservation. He will be updating us on what is going on now with their group and upcoming activities. Dinner will be a soup supper with Chili and a couple of other soups too along with snacks, veggies, drinks and dessert. Please contact me with an RSVP by Sunday evening the 14th of October.

Thanksgiving dinner will be the first Saturday in November and that is the 3rd. We will be cooking the turkey's on Saturday starting at 8am then carving them about 3. Serving will start at 5 and we will have 3 seating times 5:00, 5:45 and 6:30. Please get a hold of me by email [president@warrenikes.com](mailto:president@warrenikes.com), my cell phone is 515-229-7418 and you can text or call me. I will need desserts dropped off during the day. If you can bring out a pie or 2, cake, brownies, an apple crisp or some such dessert would be GREAT!

We will need help serving the dinner along with making the meal and keeping things ready to be served. We will need 4 servers and 4 in the kitchen making the potatoes, gravy, dressing and beans. We do have some help from Simpson College and they will work on serving drinks and busing. We have a dishwasher but will need someone to run that too. This will take 15 to 20 people during the night to get this done and then clean up afterwards too. Feel free to print off the attached dinner flyer and post a few around. Or share it on your Facebook site and invite your friends and family.

Your membership renewals are in so we will be sending out these very soon and have put in a card about the Thanksgiving dinner too. So if I end up repeating myself it's because this takes a lot of time and help to do this dinner once a year.

Our fall trap leagues have wrapped up and completed another season. The Tuesday night crew will keep it open as long as the weather allows, usually it has been end of October or even in to November some too.

Last call for bikes to be donated for them to be repaired and recycled. Let me know if you have any that you are looking to donate.

I hope to see you around our chapter grounds enjoying things we offer when this weather gets straightened out and soon! **Craig McIntyre, President**
