**FROM THE PRESIDENT**

Fall is just around the corner with the cooler evenings and not so hot days for the most part. It is one of my favorite times of the year. Just getting out and enjoying the change of the leaves and less bugs for the most part. I hope that you all get that chance to enjoy it too. The dinner for the WCCB Prairie Picnic will be this Saturday the 15th I am going and we will be taking a basket of a membership with thanksgiving dinner for 4 as our donation for their auction. We will be doing a similar one for the Pheasants Forever banquet held in October.

Our fall trap leagues are in full swing and we have both of our college teams getting back in to the mix of things as well. We even have about 15 shooters in the Rifle League.

We will have a float in the Log Cabin Days parade Saturday morning the 29th of September. The Des Moines Ikes Expo is the 22nd and 23rd of September at the Des Moines Ikes chapter area with the DSM waterworks park for their event. It is the 10th such expo and there are lots of things going on and opportunities to volunteer as well. Please contact Membership Chair Lisa McIntyre at 515-360-4352 or you can text her as well. Her email is [lmccintyreiaikes@yahoo.com](mailto:lmccintyreiaikes@yahoo.com) and you can let her know if you have time to help with the crafts, fishing, archery, b-b gun, slingshot and other areas.

We completed our auction of the Iowa DNR out of state deer tag and that was a very good fund raiser for us. There are a couple more things that can be done for our fund raising. For those of you that shop online with Amazon you can go to [smile.amazon.com](http://smile.amazon.com) and then look for our link to make donations from your purchase you complete. There are a couple of Izaak Walton League groups but look for the one with the Indianola, Iowa address of course. The other option we have is our annual thanksgiving dinner to be held first Saturday in November and that will be the 3rd of November. This year we will be cooking our turkeys the day of our dinner starting at 8ish then carving them up about 3:30 or even a bit earlier. We start serving at 5ish and done at 7. So it will be a full day of cooking and setting the tables and we will need help with desserts of pies, cakes, and other sweets. Servers in the Kitchen, and cooks for the potatoes, beans, and the dressing. Drink areas are for Tea, Coffee, Water and Lemonade. Dishwashers and busing of the tables as well. Again lots of area's to be helpful in. Please reach out to me at [president@warrenikes.com](mailto:president@warrenikes.com) or call/text me at 515-229-7418 to let me know you can volunteer.

I have about 4 bicycles around my home, does anyone else have several that are not being ridden anymore? There is a group in Des Moines that will take our used bikes and refurbish these. Member Bruce Hubbard is retired and volunteers at the Bike Kolective on the east end of down town Des Moines. I would like to propose that those with an interest in recycling their bikes we get together and arrange for these to be picked up. Please get back to me at my phone 515-229-7418 leave a message or text or email me at [president@warrenikes.com](mailto:president@warrenikes.com). We can look at picking your bike up from Indianola or have you take them out to our chapter house. Lets try to complete this little project by the end of September.

With our completed elections we have 2 new officers for the board. Second VP is Paul Rogalla and the Archery Chair is Kelly Reed. Welcome aboard to the both of you.

Hope to see you at the meeting, **Craig McIntyre, President**

# Iowa Outdoor EXPO

For Kids and Families

Today's Date \_\_\_\_\_ 2018

The Iowa Outdoor Expo is committed to providing a free event for families to learn, explore and rediscover outdoor recreation. Over the several past years the Expo has successfully open the outdoors to kids and families through hands on activities, giving visitors an opportunity to learn an activity that will take them outside for the rest of their life. The Expo is creating outdoor stewards who respect our natural resources and have a passion to share it with others.

### This cannot be done without volunteers like you.

As a volunteer you make a direct, positive impact on the future participation of outdoor activities. You also teach your skills to others, explore new outdoor activities and recreational possibilities, reap the reward of mentoring youth, gain work experience and learn or develop new skills!
