FROM THE PRESIDENT

As many of you know we have been under construction for most all of last year and with our Spring league's for the 25 bird and 50 bird to start here in April then the High School teams are practicing now in March too. There has been a big push to get the trap area done enough so that we can make use of all 4 trap machine's.

We started off with improvement's to the Chapter building with new windows and siding, then the trap grounds and next up will be the rifle and pistol range so that we can make use of these area's as well this year. We are trying to get mulch down for walking paths to help cut down on all the mud that will be tracked about. Look for boot scrapers around the property that Dave Smith will have out as well.

We Host the State Ikes convention the last weekend in April. I encourage our members to attend Saturday the 25th evening dinner, speaker and auction. Reservations will be needed so we can get a head count for the meal. Dinner to be Pork Chop, Baked Potato, Green Beans, & Dessert for \$20. Please make reservations by April the 13th to me, 515-229-7418 phone or text, email to cmac859@yahoo.com.

We just hosted about 40 new hunter ed students this last weekend and before that the Warren County Sheriff department had their Polar Plunge. April 4th will have an FFA trap shoot to kick the season off. April 11th is Youth Trout fishing out at Banner Lake's too.

You may have noticed on our Facebook Page that I sent out a letter to the Governor asking him to review the DNR Pond Stocking issue and to keep that program intact. Please check out the website of www.iowaoutdoorpartnership.com for more information.

Our Ikes Web site is a bit of a mess as well but that is in the works to get some of that corrected and updated. The calendar is up to date though so consult that to make note when the grounds are closed down.

With Spring it is only going to get busier out to the Chapter house and around your house too I will bet. Take care!

Craig McIntyre
President

TRAP: Jim Lear

Spring Trap Leagues are now forming.

Get together with your shooting friends, families and people you want to introduce to Trap Shooting or the Shotgun Sports and form a Team. If you do not have 5 participants for a team or are just interested yourself let us know, we may be able to help fill a team or place you on a team that is not full.

With all 4 trap fields being ready for the spring leagues, and having them lighted it will enable us to accommodate many more teams.

One of the most rewarding things about league events is the fellowship. So let's get out, talk to some friends, meet some new people, shoot some trap, but most of all have lots of fun!!!
