FROM THE PRESIDENT

Starting April 15th the road to the chapter house from Hwy 65/69 will be under repairs and it would be best to come in from the airport road, Nevada St to 118th and then to the chapter house. They will be patching the road first and then coming back and resurface it later on this summer.

State Convention will be Saturday the 27th of April and held in Newton at the Emerson Hough Chapter house from 9am to about 3pm with a dinner banquet to follow about 6. Reservations are needed for the meal and if you didn't keep your state newsletter for the form then reach out to Lisa McIntyre or myself.

Spring trap leagues started this last week and there are about 8 teams for Monday night and Rod says he has 14 teams for Thursday nights. We have open trap shooting on Tuesdays and I will have some open shooting after our Monday night league is over for about an hour if there is any interest.

May 4th and 5th we will have a national ATA archery instruction class going on. Please see the form that will be in this newsletter for more information.

Last Saturday the 6th of April we hosted the Trout stocking of the lake at Sommerset Park. It sounded like a great day and fun had by many. Rod also held a leg of the Quad Shoot we have with Newton where each chapter takes turns hosting the trap shoot for 4 weeks. More good weather is needed for sure but that is always the challenge in the spring.

A few days before that on Wednesday the 3rd Simpson College students were on the grounds doing some cleaning around the chapter. It was much appreciated for sure. We are in the busy time of year out at the chapter house and grounds. Many rentals for graduation, shooting sports with the Indianola Trap teams, Grandview and Simpson College. The Mid Iowa Archers will have hosted their spring shoot the 13th and 14th of April with 3 more during the rest of the summer.

Hope to see you around the chapter grounds, Craig McIntyre

Archery Academy - Iowa Izaak Walton League of America – Archery Trade Association

Would your chapter like to enhance its archery program or facilities? Are you interested in starting a local archery program in your community? Then the first step toward such success would be to have certified instructors to create a safe and fun program.

An Archery Academy, now a two-day training session for instructor certification, is now available to all League members. This nationally-recognized program includes a Level 1 and 2 Archery Instructor certifications (USA Archery/National Field Archery Association) and an introduction to ATA Explore Bowhunting program – is designed to prepare instructors to develop beginning and intermediate archery and bowhunting programs.

NOTE: It is imperative that you have considerable knowledge and archery experience, as this **two-day** training session is not an introductory course on archery skills.
