FROM THE PRESIDENT

Well, we are at our very busy time of the year at our Ikes chapter. Last Saturday was the Trout fish stocking at the Bannor lake, and we had a new event at the Indianola sustainability fair. Our Chapter grounds had the opening MIA archery even as well. We have our trapshooting leagues starting in full force as well. This Saturday we have an event that could host 200 youth shooters that we will be providing food for. I could use a couple of servers yet if you have time come on out Saturday morning.

At our next meeting Tuesday the 18th we will have a speaker on the honey bee's and their importance. And what we may be able to do to help other pollinators. Our dinner will be served by Jay Timmons our Rental Chair and his meal is a turkey dinner and the trimmings. Please call in to Jay at 410-375-6124 to give him your reservation so we have an approximate head count.

Then again on Saturday the 22nd another school trap shoot to be held and more kitchen help could be used as well. Please call me at 515-229-7418 if you have some time to help out.

Best Regards - Craig McIntyre, President

GROUNDS CLEANING
