- Please also check the calendar at <http://www.warrenikes.com/calendarevents> for all activities at the club.

FROM THE PRESIDENT

It has been a little while since we had a newsletter sent out. We took off for National Ikes convention there during our membership meeting and then did a visit with the Des Moines Chapter and ate at their sweetcorn feed the next week. Lots has been happening around our chapter and grounds. Construction still for our archery range area with some grading yet to be done and then we will be graveling the entrance and lot.

We have appointed Rod Goodrich to fill the remaining term of Trap Chair. Trap league signup starts the week of the 20th with a rifle league as well. So, we have Monday night 25 bird league, Tuesday open trap, Wednesday rifle league, and Thursday night 50 bird league. This should take us to the end of September and early October. Then the next thing you know we will have our Thanksgiving dinner the first Saturday in November! We are looking to setup a Fall shoot or Turkey shoot so keep your eye on the calendar!

I have a small project that I would be glad to share and that is putting up some kind of blinds or drapery on our chapter windows. We have our chapter house rented out many times during the year and when there is a speaker or someone that needs to make use of the projector we have a bit too much sunlight getting in the way. Get back to me and let me know if you can provide some labor to get this put in. We are also looking to do some storm windows for our outside of them in order to open them when there is a nice cool breeze to be used. This will help keep the bugs out and reduce use of our AC as well. We will need a source for these storm/screen windows and getting them installed as well.

We have ordered several memorial benches to have them put around the grounds. These will be from the Williams Machine shop out of Lacona. It will be a few weeks but they sure look nice from some of the others I have seen around the county.

On another note I have had our chapter board members take on our meetings for dinners and finding speakers. If any of our members would like to organize a meeting and come up with a speaker or maybe plan the meal we sure would appreciate this. Again reach out to me by text, phone or email and thank you.

This last Saturday the 11th of August we shared our chapter grounds with the National Pheasants Forever and Quail Forever. They had a train the trainer and used the Annette Nature Center along with our shooting range. It was a very good day but a warm one, thank you Lisa McIntyre for your help hosting this.

Hope to see you at the meeting, **Craig McIntyre, President**

**FROM MEMBERSHIP**

Recently, we have had a taste of Fall, which is right around the corner. I love the Fall, cooler temps and all the gorgeous colors the trees turn to. Just like I love the Spring, that brings warmer temps and the fresh clean smell of the Earth. You ask “why I am I talking about the seasons” well, I really don’t know. But both seasons I also spend more time outside, mostly doing Ikes events, but I do find some time to get my bow out and do a little fishing. Which I enjoy both activities and I can do these either by myself or with a few other people.

Have you heard of **FAN** club? Well, it’s a newer “club” of IWLA. **FAN** stands for **F**amily **A**dventures in **N**ature, our goal is to start this “club” here at our Warren Co. Chapter and we need people that would like to help steer this new group. Our chapter currently does some FAN events like the Trout Fishing Day in April and the Iowa Outdoor EXPO for Kids and Families in September (this year Sept 22 & 23) and I would like to add a few more in the year. They can be very simple or a big event

Another new committee that we are putting together is a conservation committee primary for the Clean Water Challenge, Creak Freaks, and SOS (**S**ave **O**ur **S**treams) monitor. I recently went to a joint Conservation Committee meeting up at the Des Moines chapter with members from Des Moines and Panora chapters. We can either partner up with them and maybe other IWLA chapters or by our self.

Another new committee that we are putting together is a conservation committee primary for the Clean Water Challenge, Creak Freaks, and SOS monitor. We can either do this with other IWLA chapters (Des Moines and Panora chapters) or by our self.

If you are interested in learning more about either one of these committees, please seek me out. I’m out at the Warren Co. chapter the 1st and 3rd Tuesday night of the month.

We had over 40 people at our Grillin & Game Night (Aug 3). We had lots of fun, and good food thanks to everyone that pitched in. Some shot trap and archery, others just visited in the chapter house. We will probably have another gathering in October so keep an eye out in our newsletter on the Warren County Ikes website for more details.

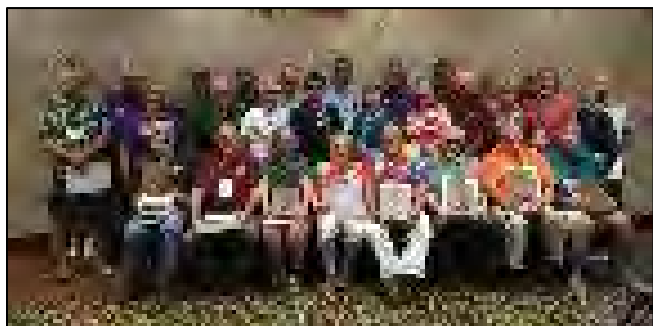

***Lisa McIntyre - Membership***

**FUNDRAISER**

Our new annual fundraiser of selling one non-resident deer tag/license through Ebay auction sale has just concluded. The license sold for \$15,000 of which the Warren Co Ikes retains approximately \$7,500 with \$200 of our share going toward expenses of the sale. The Iowa DNR receives the other half (\$7,500). Several Iowa based Conservation organizations participate in this and great way to raise \$\$\$ to support our conservation and shooting sports programs in Warren County.

**NATIONAL IKES CONVENTION - FREDERICKSBURG, VIRGINIA**

Six Warren Ikes member attended the recent National Ikes Convention. Below are some photos of the Warren Ikes members attending convention activities.

**IMPORTANT NUMBERS:**

# Iowa Outdoor EXPO

For Kids and Families

Today's Date \_\_\_\_\_ 2018

The Iowa Outdoor Expo is committed to providing a free event for families to learn, explore and rediscover outdoor recreation. Over the several past years the Expo has successfully open the outdoors to kids and families through hands on activities, giving visitors an opportunity to learn an activity that will take them outside for the rest of their life. The Expo is creating outdoor stewards who respect our natural resources and have a passion to share it with others.

### This cannot be done without volunteers like you.

As a volunteer you make a direct, positive impact on the future participation of outdoor activities. You also teach your skills to others, explore new outdoor activities and recreational possibilities, reap the reward of mentoring youth, gain work experience and learn or develop new skills!

Name: \_\_\_\_\_ **Age if under 19:** \_\_\_\_\_
