FROM THE PRESIDENT

I want to welcome all of our new members to our chapter and to getting your newsletter too. We will try to inform you as to what is going on in our chapter and activities that you can participate in as well. We meet once a month on the 3rd Tuesday and have a dinner at 6:30 so an RSVP will help us with a head count and how much to prepare. We then have after that for most meetings a speaker to share some info on many numerous subjects. It could be a trip that a member had or one of our local DNR folks and even some updates with the state legislature or our local county.

We are going to have a Chili Cook off so please let me know if you will be sharing a crock pot with us. We will have a cash prize of \$25 for first and \$10 for second place. I will have a panel of judges to help us out. Our chapter will provide crackers and snacks to go along with the pots of chili that our contestants will provide. I know everyone has a family favorite to share (please no roadkill) Hahaha.

If you haven't taken a look at our calendar of events lately it has really booked up clear to the end of May! We have several teams using our traps and we have spring leagues as well for the public to participate in. We will even have a spring league for a rim-fire 1/5 scale NRA silhouette target that will run on Tuesday evening's during the 6 weeks of spring Trap. Monday is the 25 Bird league and Thursday will be the 50 Bird league. Please take a look at our website www.warrenikes.com and you can see the dates of these and who to call and sign up. If you have a friend to bring or bring a complete team of 5 for the trap that would be great.

As if we haven't had enough action going on we are starting an archery group with the local schools. Indianola High School and even interest from the Middle school as well. We will be meeting at Archery Field and Sports this Saturday the 17th at 8:30 to go over safety and use of the equipment. Then we will setup Friday afternoons after school to practice on the pistol range for a couple of hours until we get our new archery range completed. We have Warren Water district coming out to relocate their water line deeper as we will be moving part of that hillside down to make parking area and a flat target range area.

As you can see we have a lot of things going on. If you have any interest in helping around the chapter grounds with maintenance, working on the archery range, or helping with our trap leagues please let me know and I can get word to our property chair's and committee's.

Craig McIntyre, President

SPRING RIMFIRE LEAGUE

The spring rimfire league will start in April and run concurrent with Trap leagues. Details are still being determined. Watch our website www.warrenikes.com for up to date information. Sorry IZAAK, there is no Blunderbuss division.

ARCHERY

Sandy Thorup., a junior at Indianola, is starting an archery club for the high school and has asked for our help. Craig, Jim, Rick, and Lisa are working closely with Sandy, Abby, Maddy and Mallory in getting this going. Jim has set up a safety training meeting with Mark Wagner, owner of Archery Field and Sports (AFS), for Saturday February 17 at 8:30 a.m. for all students that are interested in joining. There should be more details at the school or reach out to Sandy. I believe this will also be opened to middle school students, if not now probably later. Further information on the archery club and new archery range plans will be provided in future newsletters. We hope to see some of you on Saturday at AFS.

BUY – SELL - TRADE

Looking for something? Want to sell something? Cleaning up the garage and want to dispose of some of that "STUFF" you haven't used in several years? Check out the new "[BUY-SELL-TRADE](#)" page on our website. Maybe you'll find a good deal on something you have been wanting. Maybe you can put some cash in your pocket and reduce clutter at the same time. It's for Warren County Ikes' members. Maybe we can get IZAAK to upgrade his Blunderbuss. (I doubt it!)

HUNTER'S EDUCATION

Classes March 2018:

Location: Warren Co. Ikes Chapter house – March 1 and 3

Location: Des Moines Ikes Chapter house – March 2 (6:30-9:00pm) and 4 (12:00-8:00pm)

More information about these classes at www.iowadnr.gov

The Iowa DNR and IHEIA (Iowa Hunter Education Instructor Association) are looking for new volunteer hunter education instructors. If you are interested please sign up to attend a new instructor workshops on March 17 at the Annett Nature Center from 9 a.m. - 3 p.m.

Current HE instructors are encouraged to attend a certified workshop, there are many going on around the state starting March 13 - 31. Please register for any HE class/workshop through the www.iowadnr.org

INDIANOLA CHAMBER OF COMMERCE

The Board of the Warren County Ikes approved renewal of Indianola Chamber of Commerce membership. As a non-profit organization member our dues are low and it gives us the opportunity to support our local businesses. It also makes more people aware of the Ikes and increases our profile in the community.

Warren County Izaak Walton League

2018 50 Bird Trap League Details

The trap committee would like to thank everyone for all of the feedback, suggestions and concerns that were given during last fall's 50 Bird League. The Trap Committee and the Warren County Ikes are striving to make the Trap Leagues a Safe and Fun activity for all shooters. Whether they be brand new trap shooters or very experienced on the trap line, and still making it a level playing field for those participating and competing. In trying to do so we have made some changes to League Procedures in response.

We encourage all participants to continue sharing ideas or discussing any changes that will further help us achieve a Safe, Fun, and Fair event for all league shooters.

Please try to register prior to the First Week of leagues so Flight Scheduling can be completed before league starts.

Fillable or printable registration forms are available on the Warren Co Izaak Walton League Website or at the Trap Range

http://www.warrenikes.com/yahoo_site_admin/assets/docs/Trap_League_Registration_Form_2016S.76181311.pdf

Completed forms may be emailed to Dave@playgroundcompliance.com. Payments can be made at the Clubhouse the first week of League.

- We will be following rules as set forth by the Amateur Trap Shooting Association for this league
- 50 Bird League will be limited to no more than 20 teams or squads.
 - If you do not have a full Squad or Team let us know and we will try to help you make one up with others that are looking to join a squad.
- **Squad Leaders or Team Captains** will be responsible for making sure their squad or team is ready to shoot at their designated time and trap.
- If for some reason the team is late and cannot make their scheduled time. We will try to make it up after all scheduled squads are finished. If time does not allow for the late squad to shoot a makeup round must be scheduled.
- Start times and trap fields will be rotated each week. So no one team gets what might be considered a prime shooting time or trap field advantage.
- All 50 birds will be shot on the same trap house.
- Handicap will be figured after each 50 bird event on the total team score
RE: Week one both rounds will be shot from the 16, then week two both rounds will be shot at the handicap developed from week ones team total score.
This will allow the team to shoot a round, replenish shells, dispose of hulls take a short breather then go right back out and shoot the second round without having to change trap fields. Please make sure you have two boxes of shells with you when you report to the trap field.
- If a squad has a shooter no show, please find a sub to take their place. If the sub is from another team please make sure that the shooting times do not conflict with his teams shoot time.
- Any shooter who utilizes a substitute will no longer be eligible for High Gun prize money.
