FROM THE PRESIDENT

Spring will be here before you know it just that it sure hasn't looked like Winter is winding down very fast either. Our youth groups are meeting and getting signed up for another year of Trap shooting and practice along with our Archery club for Middle and High School. Check out the calendar of events on our website <http://www.warrenikes.com> for meeting times at our chapter house.

Also from our youth in our chapter I have 2 Eagle Scout projects coming this spring as well. With several more scouts interested in helping around the chapter house and grounds we will have to put on our thinking caps and look for some suggestions on items that can be improved on as well.

Upcoming event that can use some help February 23rd and 24th is the Annual Iowa Bass Masters Fisherman's swap meet and boat show at the 4 H building on the Iowa state fair grounds. The Izaak Walton League will have a booth to visit about conservation and membership, if you can help with a 4 hour shift please contact Lisa McIntyre 515-360-4532.

And closing out with this short list of things something from the Red Green Show, since it feels like a bit of Canada here to keep your stick on the ice! Hmmm, not real sure what that means and maybe I shouldn't share it then but sounds like a good idea with it being slick out here and all.

See you at the member meeting, **Craig McIntyre, President**

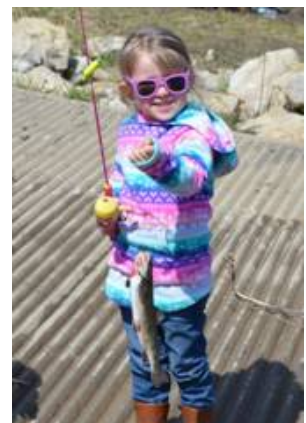

URBAN TROUT STOCKING APRIL 6 – Saturday – Urban Trout Stocking and Family Fishing Event at Banner Lake (South), Summerset State Park just north of Indianola. Need volunteers at our information table and we also cook hotdogs and hand out chips to the first 100 people.

Description: Watch the fish being stocked and try to catch your first trout. The urban lakes trout program offers a “close to home” option for anglers across the state to experience trout fishing. These cool weather stockings provide easy-access trout fishing opportunities in areas that cannot support trout during the summer months. They are a great place to take kids to catch their first fish.

Angler’s need a valid fishing license (age 16 and older) and pay the trout fee to fish for or possess trout.

For more information, call the Warren County Izaak Walton League (Craig) at 515-229-7418.

Don't wait, get your license!

KIYA KODA

The Archery Club will be collecting items for Kiya Koda through our February membership meeting, so please help by donating items or money. We have a table with items and a box for the small items in the chapter house. If you want to donate money please make your check payable to Warren Co. Ikes or Kiya Koda, you can send them to our mail box, P.O. Box 183, Indianola.
