**ACTIVITIES:**

- **Monthly Meeting – Tuesday, January 15<sup>th</sup> @ 6:30pm Wild Game Feed Potluck** Bring a dish and bring a guest or family members. Don't worry if you don't have any game meat dish to share, just bring your favorite non-game dish to share.
- **February 5<sup>th</sup> @ 6:30pm – Board Meeting** Everybody is welcomed to attend. If you have any ideas for Membership Meeting programs, please let Craig know.
- **February 19<sup>th</sup> @ 6:30pm – Monthly Meeting & Chili Cook-off Contest**, Cash Prizes to top two chili
- **February 23 & 24 – Fisherman's Swap Meet @ Iowa State Fair grounds.** If you would like to take a morning or afternoon shift to volunteer at our table on either day please let Lisa know, 515-360-4352.
- **May 5 & 6 – Archery Academy** Archery Trade Association Instructor Training. More information below.
- **July 16-19 - National Izaak Walton National Convention - Des Moines** More information to come
- Please also check the calendar at <http://www.warrenikes.com/calendarevents> for all activities at the club.

**FROM THE PRESIDENT**

At the board meeting Membership Chair, Lisa McIntyre shared info on the need for Hunters Ed Instructors with training classes and we will be having an Archery Academy that first Saturday and Sunday of May at our chapter. This will provide training for archery instructors to help teach the youth of their chapters. Please check with Lisa McIntyre for times and dates if there is an interest. Her phone # is 515-360-4352 and her email is [lmcintyreiaikes@yahoo.com](mailto:lmcintyreiaikes@yahoo.com).

Trap Chair Rod Goodrich will have many of Jimmy Lear's collection of shooting items for sale at our Tuesday January 15th membership meeting. There are a lot of new items for sale and some slightly used as he was switching from his Trap Shooting into the rifle and pistol sports. If you have questions on some of these things please contact Rod Goodrich at 515-249-4572 and his email is [kkk-rlg@msn.com](mailto:kkk-rlg@msn.com). There are 2 mechanic style tool boxes and Rod has a list of things to share. Hope to see you at our meeting.

Speaking of which, this is our annual wild game feed and potluck for Tuesday January 15th. Bring a dish and bring a guest or family members too. Looking ahead to February meeting we had a Chili Contest last year so lets do one again for our February 19th meeting. We will work on getting our Judges for this and a cash prize similar to last year too. Watch for info on the next newsletter.

I have several opportunities for our members to help out our chapter. The Rifle Chair Scott Wendt has been asked about setting up a pistol event or league. What he needs is a committee chair to help work this up. We have the steel targets that can be used all we need is someone that understands how these work and willing to setup the event. Please contact Scott at 641-512-8756 or email him at [wendtbrenda@gmail.com](mailto:wendtbrenda@gmail.com). He plans on a rifle league again this year and it will be on Wednesday's. We will get a date set and let you know when it gets on the calendar.

Building and Grounds Chair Dave Smith 515-770-4398 email [flinchrock@msn.com](mailto:flinchrock@msn.com), can use a crew to help him with the mowing and taking care of the grounds. We have a lot of the equipment on hand but need the bodies to get the work done. Rental Chair Jay Timmons 410-375-6124 email [iowakayakerjw@gmail.com](mailto:iowakayakerjw@gmail.com), can use some help from time to time with the sweeping and mopping of the chapter house getting it ready for rentals that are usually on the weekends.

Now some of the newer positions that I can use some help with are an Awards Chair that will help us with the State and National awards recognition, Save our Streams Chair, Outdoor Ethics Chair, Conservation Issues Chair, Youth Programs Chair, as well as a Social Media Chair (Webmaster) to help with our Facebook and our website items. A good source for the info is the national website [IWLA.ORG](http://IWLA.ORG) and if you will go in there and create your account and get your membership number setup you can keep your info updated from what we put in or maybe guessed on your birthday too.

Our Trap program will be very busy starting this Sunday with the Indianola shooting group getting their members signed up. My guess based on the last couple of years we could see over 75 youth from the Middle and High School. SE Warren is gearing up as well along with Charlie Mundy and his Grand View Vikings and Dan Martin with the Simpson College shooting sports teams. That being said our Spring Leagues will start their sign up early April for Monday Night 25 Bird league and the Thursday night 50 Bird League. Both of these leagues could use some help in the Trap Building with counter help setting up the squads for their shooting, selling shells and rounds to our members and guests. Our regular Tuesday night Open shooting will start in March with good weather and we can use the same help at the counter. League's and open shooting usually start about 6:30 and end about 9:30. So if you could help on a regular basis, one time a month or pop out and visit to see what it is we do and then decide if you can help. You don't need to be a shooter in order to help out the club.

With all that going on we are looking to add about 6 Thursday nights during the late spring and through July we plan on having the ATA Big 50 shoots and we will need to have scorers, counter help squading and such. Rod and Karen Goodrich will likely be the main force but we can sure help train others for this. Our plan is to see if we can host some big ATA weekend shoots but we will need lots of help during those 3 or 4 shoots in 2020.

So, does it sound like I am asking for help for our chapter?? As you have seen for those that are using our rifle and pistol range, the manual trap field, and we are working on an Archery range too. This all takes time, volunteers, some paid contractors, and lots of help from members. Maybe only a weekend work project or maybe a 7 1 night a week commitment during a trap league and we even have something for those that like to work in a kitchen area too. There are several weekend shoots that we do a breakfast and lunch for that Saturday. Please contact me, Craig McIntyre at 515-229-7418 is my cell # and email to [president@warrenikes.com](mailto:president@warrenikes.com)

We have a couple of opportunities to share our Ikes chapter info and membership options at things like the Fisherman's swap meet, or there may be Boat show and other Iowa State Fair ground shows we have a booth at and a 4 hour shift would be appreciated. Please check with Lisa McIntyre 515-360-4352 and she can work you into the schedule.

One last thing to share is if you buy things from Amazon you can setup a charity donation by going to [smile.amazon.com](http://smile.amazon.com) and picking the Izaak Walton League for Warren County Iowa. If we get enough of us doing this it can be a nice way to make a donation even though small but could be consistent.

Thank you for your interest in our club and hope to see you at our next meeting on Tuesday the 15th of January, **Craig McIntyre, President**

#### **WEBMASTER AND SOCIAL MEDIA MANAGER**

Larry Lepper has done an amazing job keeping the website and social media accounts up to date and would like to transition someone into this role as he would like to step away. If you have any desire to become webmaster and social media manager please contact Larry or Craig.

#### **KIYA KODA**

The Archery Club will be collecting items for Kiya Koda through our February membership meeting, so please help by donating items or money. We have a table with items and a box for the small items in the chapter house. If you want to donate money please make your check payable to Warren Co. Ikes or Kiya Koda, you can send them to our mail box, P.O. Box 183, Indianola.

#### **JIMMY'S LEAR SALE**

At January membership meeting, Jimmy's shooting items will be for sale. Below is a list of items. If you have any questions about any item (including price), contact Rod Goodrich (515-249-4572) or Dave Smith (515-770-4398).

# Archery Academy - Iowa

## Izaak Walton League of America – Archery Trade Association

Would your chapter like to enhance its archery program or facilities? Are you interested in starting a local archery program in your community? Then the first step toward such success would be to have certified instructors to create a safe and fun program.

An Archery Academy, one-day training session for instructor certification, is now available to all League members. This nationally-recognized program includes a Level 1 and 2 Archery Instructor certifications (USA Archery/National Field Archery Association) and an introduction to ATA Explore Bowhunting program – is designed to prepare instructors to develop beginning and intermediate archery and bowhunting programs.

**NOTE:** It is imperative that you have considerable knowledge and archery experience, as this **two-day** training session is not an introductory course on archery skills.
