URBAN TROUT STOKING AND FAMILY FISHING DAY - BANNER LAKE, INDIANOLA

Saturday, April 6, 2019 11:00 a.m.– 12:30 p.m.

Banner Lake (South) at Summerset State Park, 16510 118th Avenue, Indianola

Watch the fish being stocked and try to catch your first trout. The urban lakes trout program offers a “close to home” option for anglers across the state to experience trout fishing. These cool weather stockings provide easy-access trout fishing opportunities in areas that cannot support trout during the summer months. They are a great place to take kids to catch their first fish.

Angler's need a valid fishing license (age 16 and older) and pay the trout fee to fish for or possess trout.

For more information, check out the Iowa DNR website or call the Warren County Izaak Walton League (Craig) at 515-229-7418.

Don't wait, get your license today!

Archery Academy - Iowa

Izaak Walton League of America – Archery Trade Association

Would your chapter like to enhance its archery program or facilities? Are you interested in starting a local archery program in your community? Then the first step toward such success would be to have certified instructors to create a safe and fun program.

An Archery Academy, one-day training session for instructor certification, is now available to all League members. This nationally-recognized program includes a Level 1 and 2 Archery Instructor certifications (USA Archery/National Field Archery Association) and an introduction to ATA Explore Bowhunting program – is designed to prepare instructors to develop beginning and intermediate archery and bowhunting programs.

NOTE: It is imperative that you have considerable knowledge and archery experience, as this **two-day** training session is not an introductory course on archery skills.
