**FROM THE PRESIDENT - CRAIG**

There will be no Thanksgiving dinner this year for the first time in as far back as I can remember so likely be at least 40 years or more? Hope to have it back on for next year in 2021. We are doing some more work on the grounds this last week with tiling the road area and rifle range too. Then we will have some more smoothing of the grounds where the shot will fall and hope to get that planted back into some kind of grass we can mow from time to time. It will be 10 to 12 years before we have another mining of our lead but need to plan ahead.

Hope to see you at our meeting, **Craig**
