FROM THE PRESIDENT

Our rifle range has been unavailable a few times and not placed on the calendar. This has been due to getting ready to harvest the lead from our range and having the grass mowed, the weeds treated with roundup and such. I am sorry I haven't been able to keep the calendar up with when these events happen but this will be a very good thing for our chapter to help replace funds that have been spent this year. With the septic being replaced and the air conditioner as well as the new lawn mower we spent about \$28,000 is a quick guess.

Plans for our 75 anniversary of being an Izaak Walton Chapter or to have a dinner on October 5th see the attached flyer and please call in to me or email me as well for dinner reservations. The meal plan is for peppered ranch steak or an Iowa pork chop with potatoes, salad, roll and dessert. Auction items will be on hand along with open trap shooting so plan on having a good time.

We will follow that dinner up with our annual Thanksgiving dinner on the first Saturday of November the 2nd. We will need all kinds of help with cooking, setting up for the meal, serving and also taking tickets and selling tickets as well. Please contact me with any questions and offers to help.

The Iowa Outdoor Expo is a great time to take the kids out to see firsthand getting involved in the outdoors. Please contact Lisa McIntyre with any questions to help out at 515-360-4352.

Hope to see you at the monthly meeting, Craig McIntyre

Iowa Outdoor EXPO

For Kids and Families

Today's Date _____ 2019

The Iowa Outdoor Expo is committed to providing a free event for families to learn, explore and rediscover outdoor recreation. Over the several past years the Expo has successfully open the outdoors to kids and families through hands on activities, giving visitors an opportunity to learn an activity that will take them outside for the rest of their life. The Expo is creating outdoor stewards who respect our natural resources and have a passion to share it with others.

This cannot be done without volunteers like you.

As a volunteer you make a direct, positive impact on the future participation of outdoor activities. You also teach your skills to others, explore new outdoor activities and recreational possibilities, reap the reward of mentoring youth, gain work experience and learn or develop new skills!
